REQUEST FOR CORRECTED FILING RECEIPT

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Attached is a copy of an official filing receipt received from the United States Patent and Trademark Office in the above application (with the changes noted thereon) for which issuance of a corrected filing receipt is respectfully requested.

The filing receipt is in error because it lists the title of the Invention as "Image Analysis System", instead of the correct title of "Window Blind System". The correct title is identified in PAIR as evidence by the enclosed Acknowledgement Receipt of a Status Inquiry submitted to the EFS on January 14, 2009. Moreover, the correct title was submitted to the USPTO in the PCT Request and at page 1 line 1 of the specification as originally filed. Thus, no charge is believed to be due in now requesting the issuance of a corrected Filing Receipt.

The Commissioner is authorized to charge any additional fees or refund any overpayment under 37 CFR 2.6 which may be required by this paper to Deposit Account No. 50-0789.

Respectfully submitted,

HAUGEN LAW FIRM PLLP
